SUMMARY

UX/UI designer with nearly eight years in digital product work, from consulting at Sogeti to leading UX for SaaS products at Promevo. Designs in Figma, writes product requirements, and moves between design, front-end and consulting roles with ease. Picks up new tools quickly on the job and integrates AI into everyday design and development workflows.

EXPERIENCE

UX/UI Designer, Promevo

July 2022 – November 2026

- Used Claude Code to create branding guides, wireframes and prototypes for a multi-module SaaS admin tool and for an AI-first construction SaaS platform.
- Drafted product requirements documents (PRDs) and Jira tickets with Gemini to move work from idea to development.
- Researched the construction industry with Gemini to ground design work on the construction platform.
- Moved from React Developer/Designer to a UX/UI Designer role, learning Figma and the company's AI tools on the job.

Consultant / Associate Consultant, Sogeti

December 2018 – June 2022

- Developed front-end designs and components for projects for a global consumer-goods client.
- Built in React. Worked alongside front-end and back-end developers and partnered directly with client stakeholders.
- Improved the front-end design of multiple client products.

Web and Digital Media Intern, Great Parks of Hamilton County

July 2018 – September 2019

- Helped update the main Great Parks website and supported events at the parks.

EARLIER EXPERIENCE

- **Florist, Petals-N-Glass Boutique (2005 – 2020):** designed arrangements for weddings, funerals and events, and trained new employees.
- Flight Attendant, ExpressJet Airlines (2014 – 2016); Public Relations Representative, Chambers Medical (2016); Marketing & Promotions Intern, Clear Channel (2012).
